### LIMITED WARRANTY

MANUFACTURER, ELECTRONIC CONTROLS DESIGN, INC., at 4287-B S.E. International Way, Milwaukie, Oregon 97222-8825, does hereby warrant to the original Purchaser that its products shall be free from defects in material or workmanship under normal use and conditions for a period of **one (1) year** from the date of purchase by said original Purchaser. Manufacturer's obligations hereunder are limited solely hereunder to correcting any of said defects; provided, however, that the Manufacturer may, at its option, either replace the product or repair it at its facility in Milwaukie, Oregon. Any defective product covered by this Limited Warranty should be returned to Manufacturer with the original purchase receipt in the original packaging, freight prepaid, to: 4287-B S.E. International Way, Milwaukie, Oregon 97222-8825. Manufacturer's determination as to whether a defect in material or workmanship exists shall be final.

This Limited Warranty does not cover damage or failure caused by misuse, neglect, accident, abnormal usage or conditions of operation, abuse, improper installation, or improper maintenance of the product. In the event the failure of the product is due to any of the foregoing, Manufacturer will make repairs at it's standard repair rate and will notify the original Purchaser prior to undertaking such repairs or refund the purchase price to the original Purchaser, at the option of the manufacturer. This Limited Warranty shall be null and void if the Purchaser in any way alters or modifies the product. The Limited Warranty set forth herein may not be extended or altered except by written agreement duly executed by the Marketing Manager of the Manufacturer.

### DISCLAIMER OF WARRANTY AND LIABILITY

There are no warranties which extend beyond the description on the face hereof. The Limited Warranty described herein shall be IN LIEU OF all other warranties, expressed or implied, including but not limited to, any implied warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE.

Manufacturer disclaims all liability for personal injury or property damage that may result from the use or performance of the product unless, in the case of personal injury, the proximate cause is proved to be Manufacturer's gross negligence. Manufacturer shall not be liable for any consequential, incidental or special damages that may arise under any circumstances involving the use or performance of the product. Manufacturer shall not be liable to the Purchaser for any delay or failure if due to causes beyond the control of Manufacturer, including but not limited to acts of God, any governmental body, fires, floods, strikes, freight embargoes, Manufacturer's delay, or unusually severe weather conditions.
